Your Legacy...Their Future

1959 Legacy Society

Named for the year in which the Junior League of Greenwich was established, the 1959 Legacy Society honors those who make a lasting commitment to the Junior League of Greenwich through a bequest or planned gift. If you've already included the League in your estate plans, please let us know - we would be honored to welcome you into the 1959 Legacy Society.

"I will always be grateful to the Junior League for the leadership training that enabled me to have a long and fulfilling volunteer career and for the lifelong friendships I formed along the way."

Phyllis Finn

Former President
Junior League of Greenwich

Each project starts with a woman who says: "Let's make this happen."

Since 1959, the Junior League of Greenwich has trained, empowered, and inspired women to be a force for good. Through meaningful service and lifelong learning, we've improved lives and built community — all through the power of women working together.

Just a few of our proud accomplishments:

- Positively Me!
- The Greenwich Pool in Byram Park
- The Boundless Playground
- Kids in Crisis

JLG Mothers and Daughters

When you make a gift to the JLG in your will, you're not just giving back — you're passing forward the joy, purpose, and impact that defined your Junior League journey.

Thank you for supporting the Junior League of Greenwich

When you include the JLG in your will, you:

- **Reflect** the significance of the JLG in your own life
- **Sustain** the values and projects that shaped our town
- **Inspire** future generations of women leaders
- **Ensure** the JLG's continued impact on Greenwich
- **Create** a personal legacy rooted in friendship and purpose

Empowering the next generation of leaders

"When I moved to Greenwich in 2010 as a young newlywed, I didn't know anyone and felt lonely. I stumbled across the JLG and joined this incredible group of women, and instantly felt a part of this new town. Joining was one of the best and most important decisions that I've made."
